2. In response we have received a cable from the station (IN 47089) requesting that his tour be extended until mid-November 1960. This request is based on the fact that he is extending his enlistment sixty (60) days to permit completion of his twenty (20) years on 2 November 1960.

3. We request that the three (3) months extension be approved, but ask that the processing of his replacement proceed. Because of the important job [REDACTED] has with the Detachment it would be most helpful for the new man to have some overlap with [REDACTED]
